SDG 17

17.2.1 -DMIHER(DU) involvement in national government or regional nongovernment organisations SDG policy development

A. Policy contributions in Curriculum design at National Level

- [National Medical Commission](#)
 - Competency based Medical Education
 - PG : Geriatric Medicine, Pathology, Physiology
 - MD Pharmacology in Marathi
 - Advance course in Medical Education
- Dental Commission of India
 - Competency based Dental Education
- [National Commission of Indian System of Medicine](#)
 - Ayurveda: Rachna Sharir
 - Unani : Mahiyatul Amraz (Pathology)
 - Siddha: Noinaadal (Siddha Pathology)
- AICTE
 - Internet of Medical things
 - Sensing technology for health care systems(for computer science and engineering)

B. [Recognition / Collaboration letter from relevant Organizations for faculty development in Medical Education NMC, CCIM, AHA, AMEE](#)

C. India is the world's largest Democracy and the power truly lies in the hands of the people. Thus, the power is transferred to the grass root levels by the Implementation of Gram Panchayats, which means the Village Administration. True service can be delivered by working with such Village Panchayat, by delivering the Medical Services which is not available for the remote rural community especially in inaccessible areas.

Thus, by working with such Village Panchayats DMIHER(DU) reaches out to the commitment and fulfilment of various Sustainable Development Goals and ensure the basic Medical Health Services.

Accordingly, the “Access” to Medical facilities is provided free of cost to such marginalized, underprivileged Community in remote Tribal Areas of the location in and around Nagpur in line with the SDG 3 Good Health and Well being.

[MOU's and Sanction letters from Government and Non- Government organizations for providing Health care Services.](#)
