SDG 17 -17.2.1

DMIHER(DU) involvement in national government or regional nongovernment organisations SDG policy development

A. National Academy of Medical Sciences (India), Task Force on Medical Education: Competency publications and interdisciplinary training

Prof. Ved Prakash Mishra, Pro-chancellor, Datta Meghe Institute of Higher Education & Research, and Prof. Adarshlata Singh, Dept. of Dermatology, were appointed as chairperson and member, respectively, of a joint Task Force on Medical Education: Competency publications and interdisciplinary training. They are tasked with preparing a white paper to be submitted to the Government of India, aiming to improve interventions in the area of Medical Education: Competency publications and interdisciplinary training by the National Academy of Medical Sciences (India) (NAMS), New Delhi. NAMS is a nodal agency under the Ministry of Health and Family Welfare (MOHFW), New Delhi, which acts as an advisory body to the Government on matters related to National Health Policy and planning. ([Link](#))

B. Dr. Lalitbhusan Waghmare, Vice Chancellor of DMIHER (DU), appointed as Member of the Discipline Committee of the National Assessment and Accreditation Council (NAAC), India, for Accreditation Reforms in Higher Education Institutes

Dr. Lalitbhusan Waghmare, Vice Chancellor of DMIHER (DU), was appointed to NAAC's Discipline Committee to contribute to the development of a detailed accreditation methodology by gathering inputs on various thematic areas. This initiative, aligned with the reforms proposed by National Education Policy 2020 and subsequent Dr. Radhakrishnan Committee report on Accreditation reforms, aims to transform Indian higher education by enhancing quality and credibility. The invitation, extended on behalf of the NAAC Executive Committee, underscores the importance of his contributions in shaping the future of accreditation and supporting India's Amrit Kaal vision. D. Dr Babaji Ghewade was appointed as Chairman of the State Operational Research Committee under the National Tuberculosis Elimination Program by the Government of Maharashtra. ([Appointment order](#))

E. DMIHER (DU) submitted its Perspectives, Initiatives & Efforts towards actualization of National Education Policy 2020 (NEP 2020) to the University Grant Commission (UGC) INDIA ([Link](#))

F. Family Adoption Program:

DMIHER participates in “Unnat Bharat Abhiyan,” a flagship program by the Ministry of HRD, Government of India, aimed at the holistic development of villages, University has adopted villages where various healthcare activities are conducted, including student visits, Swachh Bharat initiatives, health and hygiene awareness, and free or subsidized healthcare through health checkup camps. ([Report attached](#))

G. Intervention for Agrarian Crises in Community:

The Perna Project is a dedicated intervention designed to address the agrarian crisis and support families affected by farmer suicides. In collaboration with the Zilla Parishad (regional government authorities) and a committed NGO, the project aims to bring relief and sustainable development to these vulnerable households. Recognizing the multifaceted challenges, they face, Perna Project provides socio-economic support through skill development programs and vocational training, empowering families to generate income and achieve financial stability. H. Shaping Evidence for Anemia: Dr. Nazli Khatib Contributes to ICMR's Landmark Systematic Review Meeting

The Indian Council of Medical Research (ICMR) hosted a significant meeting on Evidence Synthesis for Anemia on November 26, 2022, at its headquarters in New Delhi. This hybrid meeting brought together key experts and policymakers to address anemia, a critical public health challenge in India. Chaired by Dr. Rajiv Bahl, Secretary DHR & DG ICMR, the event focused on leveraging systematic reviews to develop actionable insights for tackling anemia.

Dr. Nazli Khatib, DMIHER (DU), an esteemed expert in Evidence-Based Medicine, was invited to participate in this landmark session. During the meeting, a total of 28 systematic review questions were proposed and approved, encompassing various dimensions of anemia research and intervention. This initiative underscored the importance of evidence synthesis in shaping effective public health strategies. ([Link](#))

I. [Recognition / Collaboration letter from relevant Organizations for faculty development in Medical Education NMC, CCIM, AHA, AMEE](#)

J. DMIHER (DU) collaborates with Gram Panchayats, which manages local village administration, NGO, and State government to extend crucial medical services to marginalized and underserved communities, especially in rural and remote tribal areas around Nagpur. Through this partnership, DMIHER (DU) actively addresses Sustainable Development Goal 3 (Good Health and Well-being) by providing free healthcare access to vulnerable populations who otherwise lack it.
