SDG 17 -17.4.2

Education for SDGs – Specific courses on Sustainability

1) DMIHER (DU) offers a full degree programs align with SDG:

DMIHER (DU) offers a wide range of full degree programs that align with SDG 3 (Good Health and Well-being), spanning disciplines such as Medicine, Dentistry, Ayurveda, Physiotherapy, Nursing, Para Medical Sciences, and Pharmacy, with a core focus on enhancing health and well-being. Additionally, in support of SDG 4 (Quality Education), DMIHER (DU) provides advanced educational pathways, including Master's and Doctoral degrees, to drive excellence in health profession education.

SN	Name of Progam	Relevant SDG
1.	B. Pharm	3
2.	B.Sc (AIDS)	3
3.	B.Sc Yoga & Naturopathy	3
4.	B.Sc. (Nursing)	3
5.	B.Sc. Accident and Trauma Care Technology	3
6.	B.Sc. Anaesthesia Technology	3

2) DMIHER (DU) has partnered with Coursera to offer a curated set of courses focused on SDG.

DMIHER (DU) has partnered with Coursera to offer a curated set of courses focused on the United Nations Sustainable Development Goals (SDGs). This collaboration aims to enhance students' and faculty members' understanding of sustainable development principles and to equip them with the skills necessary to address pressing global challenges. Through these courses, participants will explore key topics across the 17 SDGs.

SN	Course Name	University / Industry Partner Name
1.	Sustainable Business: Big Issues, Big Changes	University of Colorado System
2.	Climate change education: sustainable environments	Banco Interamericano de Desarrollo
3.	Sustainable Business Enterprises	University of Illinois at Urbana-Champaign
4.	Sustainable Innovation for Subsistence Marketplaces	University of Illinois at Urbana-Champaign
5.	Building Materials and Human Health	Parsons School of Design, The New School
6.	Sustainable Construction in a Circular Economy	Parsons School of Design, The New School

4) Curriculum enriching value added courses focusing on SDG's at DMIHER(DU):

The competencies and Graduate Outcomes as enshrined in the curricula are organized into **Foundation, Core and Elective** components. Attitude, Ethics, communication, professional, problem solving, technological, leadership, analytical, entrepreneurship, lifelong learning skills and Humanities are inculcated through cogent **Electives, Interdisciplinary & Value-added courses (VAC)**. **Creative** and **divergent** competencies are diligently addressed through structured **VAC**, with corresponding periodicity beyond curricular programs for imparting **Interdisciplinary knowledge**, invoke **employability, entrepreneurship skills** and sensitize learners towards cross-cutting themes of **Sustainable Development Goals (SDGs)**.

Link: [Curriculum enriching value added courses focusing on SDG's at DMIHER\(DU\)](#)

5) Curriculum enriching elective courses across all disciplines:

DMIHER (DU) offers a diverse range of elective courses across all disciplines, each thoughtfully aligned with relevant Sustainable Development Goals (SDGs). This approach enables students to deepen their understanding of sustainability within their chosen field, equipping them to contribute effectively to global development initiatives.
