(DEEMED TO BE UNIVERSITY)

LEARN. LEAD.

SDG 3 – 3.3.1

Current collaborations with local, national or global health institutions to improve health & wellbeing outcomes

DMIHER (DU) is committed to advancing education, research, and healthcare through collaborations with global and national institutions like Johns Hopkins, Mayo Clinic, Cleveland Clinic, WHO, IISc Bengaluru, IIT Mumbai, and IIT Kharagpur. These partnerships enable knowledge exchange, joint research, and training programs that enhance medical education, healthcare delivery, and clinical advancements. Through initiatives like value-added courses, dual degrees, student and faculty exchange, and service programs across Modern Medicine, Ayurveda, Dental, Nursing, and allied sciences, DMIHER (DU) fosters a global perspective. Research efforts include joint projects, publications, IPR, and technology transfers, promoting SDGs and innovation in healthcare aligned with international standards.
