### **Notification**

It is for the information of all concerned that as approved by the Academic Council and Executive Council in its meeting held on 27.6.2024 and 1.7.2024 respectively, the Life Long Learning Access Policy is hereby notified as under.

### **LIFE-LONG LEARNING ACCESS POLICY**

#### **Objective**

DMIHER (DU) is driven by the Founders' mission to serve and uplift all members of society. Committed to lifelong learning and quality education, the university shall empower individuals to contribute positively to society by supporting marginalized groups and promoting inclusive growth. DMIHER (DU) is dedicated to making healthcare and educational resources accessible to the local community, fostering a sustainable cycle of empowerment that benefits society as a whole.

#### **Need & Scope**

DMIHER (DU) is committed to fulfilling the dual purpose of providing healthcare and quality education as envisioned by its Founders. Through this policy, the university shall offer accessible lifelong learning and healthcare services to all stakeholders and local community. By equipping individuals with the knowledge and tools needed for growth, the university shall promote a culture where empowered individuals contribute to uplifting marginalized groups and enhance well-being of all. Community Educational programs shall focus on essential themes, such as personal hygiene, women's health, and child health and will be actively shared across local schools and the community by faculty, staff, and students.

#### **Life long learning access for Community**

As a foundational step toward community empowerment, DMIHER (DU) shall extend its educational initiatives to local schools and communities through targeted efforts in primary and adult education. This policy supports access to essential educational infrastructure, such as computer labs, Libraries, Museums, Simulation labs, research labs, online learning resources in the form of videos, books and training modules for quality learning and research to local schools, colleges and other educational establishments. These initiatives aim to provide learner of all ages, irrespective of caste, creed, religion, ethnicity and gender; with access to various learning platforms fostering foundational knowledge and skills that allows them to contribute positively to the community. DMIHER shall also pioneer programs that recognises prior learning (RPL) and offer formalised learning opportunities in various vocational professions.

#### **Life long learning access for Faculty**

DMIHER (DU) is committed to the growth and development of its staff by offering opportunities for ongoing learning in a rapidly changing technological environment. Through the Lifelong Learning and Educational Access Program, staff members shall be encouraged to enhance their skills, professional development and capacity building, not only for their professional roles but also for personal growth
