SDG 5 – 5.3.1

Tracking Access Measures

Systematically tracking women application, acceptance, entry and completion rate in the University.

The Women Access Policy at DMIHER(DU) is dedicated to providing equal educational. It establishes a framework to boost application, acceptance, and enrollment rates for women across academic and professional domains. To make the admission more accessible, DMIHER(DU) offers support through dedicated networks, mentorship, and guidance, connecting women with current students, faculty, and professionals for meaningful engagement. The university actively promotes women's access to higher education through outreach programs, online informational sessions, and direct engagement in underrepresented regions, aimed at increasing awareness and application rates among prospective women students. Additionally, DMIHER(DU) provides application counseling services to address specific questions, assist with requirements, and guide women on scholarship and financial aid options.

Transparency and accountability are emphasized, with efforts to monitor acceptance rates and application-to-enrollment conversions for women. Structured follow-ups are conducted with accepted women applicants to offer program details, address concerns, and support enrollment. A unique feature is the engagement network that connects prospective women students with current female peers and faculty, creating early support networks. DMIHER(DU) also offers a structured mentorship program, pairing women students with mentors who guide them through academic and career challenges from admission to graduation. A data monitoring system tracks application, acceptance, conversion, and engagement rates, ensuring that policies and programs effectively promote gender equity across the institution.

- Formerly known as **Datta Meghe Institute of Medical Sciences** (Deemed to be University)
- Conferred 'A' Grade status by H.R.D. Ministry Govt. of India
- Re- accredited by NAAC (4th cycle) with A++ Grade (CGPA 3.78)

Office: DMIHER (DU), Sawangi (Meghe), Wardha 442107 Maharashtra, India
