ABOUT SMHHCRC, NAGPUR

Shalinitai Meghe Homeopathy Hospital College and Research Centre, Nagpur, is a constituent unit of Datta Meghe Institute of Higher Education & Research (Deemed to be University), a NAAC A++ accredited institution and one of India's top private health universities. Committed to delivering quality homeopathic education and healthcare, the institute aims to develop compassionate, skilled practitioners grounded in ethics and societal responsibility. Recently recognized by the National Commission for Homeopathy (NCH), it aspires to become a leading homeopathy college within five years by aligning with the latest NCH guidelines.

To realize this vision, an esteemed Advisory Committee has been formed, chaired by Padmashri Dr. Vilas Dangre and including notable members like Dr. Bodhraj Dubb and Prof. Dr. Devendra Sankatha Prasad Singh. Through this initiative, DMIHER (DU) aims to set new standards in homeopathic education, research, and clinical practice, while continuing its dedication to holistic, patient-centered care.

Homeopathy is gaining global recognition for its gentle, effective treatment of chronic illnesses, autoimmune conditions, allergies, and lifestyle-related disorders. Its integration into national healthcare policies and growing support from governments and health organizations worldwide highlight its rising relevance. India, a pioneer in homeopathic practice, is playing a key role in this evolution, combining traditional wisdom with modern science to build a globally aligned, comprehensive healthcare system.

WHY CHOOSE SMHHCRC?

» Part of a Trusted Legacy

As a proud constituent of the prestigious Datta Meghe Institute of Higher Education & Research (NAAC A++ accredited), SMHHCRC offers a strong academic foundation backed by one of India's most respected health universities.

» Learning in a Modern, Student-Friendly Environment

From smart classrooms and a well-stocked digital library to advanced simulation labs and fully equipped hospital units—our campus is designed to help you learn, grow, and practice with confidence.

» Real Clinical Exposure That Prepares You for Practice

Here, learning goes beyond textbooks. With an on-campus teaching hospital, you'll work with real patients, understand real cases, and gain the kind of hands-on experience that builds your skills from day one.

» Guided by the Best in the Field

Our faculty includes some of the most respected names in homeopathy, led by Padmashri Dr. Vilas Dangre. You'll be mentored by experts who bring deep knowledge and real-world experience to the classroom.

» A Culture That Encourages Innovation

Whether you're curious about research or want to dive into the science behind homeopathy, SMHHCRC supports student-led projects, drug studies, and interdisciplinary research—giving you the freedom to explore and innovate.

» A Curriculum That Builds More Than Just Knowledge

Our Competency-Based Medical Education (CBME) approach helps you grow into a well-rounded practitioner—combining clinical skills, scientific understanding, and ethical values to serve with empathy and expertise.

» Support for Your Career, Every Step of the Way

Whether you dream of opening your own clinic, teaching, working in research, or exploring global opportunities, our dedicated placement support and industry connections will help you get there.

» A Heart for the Community

At SMHHCRC, we believe in giving back. You'll have opportunities to participate in rural health camps, awareness drives, and national AYUSH initiatives—helping you develop both professional skills and a deep sense of social responsibility.

EXPERIENCE HEALTHCARE BEYOND THE CLASSROOM

"SVAADHYAAY"– The Curious Brain

Svaadhyay, the museum at DMIHER, is a vibrant hub for exploration, self-learning, and academic growth. Designed to spark curiosity, it offers an immersive environment with curated anatomical specimens, models, charts, and digital resources — all providing deep insight into the human body's structure and function.

Anukruti: Skill to Heal *An Advanced Skills and Simulation Centre*

The School of Experiential Learning & Simulation Centre (SEL & SC) at DMIHER leverages Simulation and Virtual Learning to transform healthcare education. Its Advanced Skills and Simulation Centre — a Centre of Excellence — bridges theory and practice, preparing students with the skills and confidence to excel in real-world clinical settings.

Clinical Infrastructure

Shalinitai Meghe Homeopathic Hospital has 50 beds and offers services in Medicine, Surgery, Gynecology, and Pediatrics. With digitalization, homeopathic software, and support from nearby medical institutions, it provides holistic, multi-disciplinary care and research exposure under experienced doctors.

STUDENT TESTIMONIALS

» YASH ANIL BALPANDE (BHMS) BATCH 2024-25

As a proud student of Shalinitai Meghe Homoeopathy College & Research Centre, I can confidently say this place has given me more than just an education—it has shaped my purpose and passion. The faculty are not only knowledgeable but truly supportive, treating us as the future of the profession. The campus has a unique vibe, and the department building, with its old-world charm, adds character and history. Every event feels like a celebration of growth. I've truly evolved here.

» VAISHNAVI DEOTALE (BHMS) BATCH 2024-25

Joining Shalinitai Meghe Homoeopathy Hospital College & Research Centre has been a great experience. The supportive professors explain concepts clearly, helping me build a strong foundation in homeopathy. The peaceful campus, well-equipped labs, and library encourage focused study. Early clinical exposure in the dissection hall, OPD, and labour room makes learning practical and exciting. The approachable faculty and regular mentor meetings create a welcoming environment. I'm glad I chose this reputable college.

» PRANAL PANCHBHAI (BHMS) BATCH 2024-25

My time at Shalinitai Meghe Homeopathic Hospital, College and Research Centre has been enriching. Supportive faculty, a structured curriculum, and clinical exposure helped me grow personally and professionally. Mentors encouraged me to excel in a nurturing environment that built confidence and compassion. I'm grateful for the guidance that shaped my journey as a homeopathic doctor.
