THE UNIVERSITY

Central India's pre-eminent center for learning

Located in Sawangi-Meghe (Wardha), about 80 km away from Nagpur (Maharashtra), Datta Meghe Institute of Medical Sciences (Deemed to be University) is an excellent place for pursuing academic excellence in Medicine, Dentistry, Nursing, Physiotherapy, Ayurveda, Pharmacy, Commerce and Management, Paramedical Sciences, Epidemiology, Online Distance Learning, Engineering, and Virtual Learning.

Away from the city, this sprawling 125-acre campus is a self-sustaining complex, well-connected by road, rail, and air (via Nagpur) to all the major cities in the country.

DMIMS was granted the status of a Deemed to be University, by the University Grants Commission on 24th May 2005. It has also been included in the list of Deemed to be Universities under 12 B of the UGC Act, 1956.

Ranked **NIRF 61**, DMIMS aims to offer a distinctive experience by maximizing the potential of students with professional attributes and broad-based research excellence, enabling beneficial translation. It runs 250+ programs having a total intake of 6000+ students per annum, out of which 750+ is international and 5000+ is the national intake.

MEET THE CHANCELLOR

"Education is the most powerful weapon which you can use to change the world."

SHRI. DATTAJI MEGHE
EX-MEMBER OF PARLIAMENT
(LOK SABHA)

Shri. Dattaji Meghe, the Founder and Chancellor of Datta Meghe Institute of Medical Sciences University has been active in public life for more than 40 years. He represented the people of Maharashtra in Lok Sabha for three consecutive terms and was also a member of Rajya Sabha.

He strongly believed that quality Education and Health only can bring about true transformation in the country. The "son of the soil" made a humble beginning in the fond memory of his beloved mother and started a medical college under the then Shrimati Radhikabai Meghe memorial medical trust, 30 years ago.

Since then, because of his vision and committed efforts the Institution has grown leaps and bounds by adding new courses and expanding its 'state of the art' infrastructure to the present monumental proportions.

Apart from the DMIMS(DU), under his leadership chain of CBSE schools, Engineering colleges, Banks, Spinning mills, and IT firms were established under various sister companies. The entire spectrum, right from Kindergarten to Postgraduation, was completed under his leadership, which has created new benchmarks of quality.

DR. VEDPRAKASH MISHRA
M.B.B.S., M.D., FMAS, MIRPM, B.
JOURN.

PRO-CHANCELLOR & CHIEF ADVISOR

It gives me immense pleasure to welcome you Datta Meghe Institute of Medical Sciences, Wardha.

DMIMS emphasizes on developing competent, confident, compassionate, and globally-relevant professionals. Our students are instilled with the practical aspects of learning by continuous exposure to internships and externships right from the very first year at the Institute.

Our vision is to emerge as a global center of excellence in higher education and we invite you to enable this vision.

VICE-CHANCELLOR'S MESSAGE

On behalf of the Datta Meghe Institute of Medical Sciences, I extend a warm welcome to your organization.

Over 30+ glorious years of existence as Central India's pre-eminent center for learning, DMIMS has made a mark by providing its students the knowledge and industry exposure, thus extending the excellence of DMIMS students beyond the classroom.

With great pleasure, I invite you to the University and we look forward to a mutually beneficial relationship.

DR. RAJIV BORLE

REGISTRAR'S MESSAGE

I welcome you all to Datta Meghe Institute of Medical Sciences.

Our highly qualified, committed, and friendly staff ensures that the experience at DMIMS is one that will be imprinted on students' minds as most rewarding and fulfilling. Our faculty members are committed to advising and working with the students to guide them with their academic and professional goals.

I take pride in cordially inviting you to be a partner in our endeavor and look forward to welcoming you to the recruitment program.

DR. ABHYUDAY MEGHE
M.SC, M.H.A, PH.D.

PRO-VICE-CHANCELLOR'S MESSAGE

I feel proud in presenting to you Datta Meghe Institute of Medical Sciences.

Recognized as Central India's premier institute, it is spread across a sprawling 125-acre, the campus is a self-sustaining complex, well-connected to all the major cities in the country. The students not only go through the carefully crafted academic curriculum but are also exposed to the industry through various externships and internships.

On behalf of DMIMS, I extend a warm invitation to you! Looking forward to a fruitful association.

DR. SWETA KALE PISULKAR

MESSAGE FROM THE DEAN, ALLIED SCIENCES

It has been our constant endeavor to equip our students with skills, technology, and an appropriate mindset through teaching, training, and field visits. We work in a fast-changing environment. Our students have been trained and shaped well to have the right type of approach and awareness to perceive and work in the ever-changing and challenging context of innovation and disruption.

On behalf of the School of Allied Sciences of DMIMS, I extend you, a very warm welcome to our Campus Placement Programme 2022-23.

DR. K. T. V. REDDY
M.TECH, PH.D (IIT BOMBAY)

MESSAGE FROM THE DEAN, FACULTY OF ENGINEERING AND TECHNOLOGY

Greetings from Faculty of Engineering and Technology of Datta Meghe Institute of Medical Sciences.

DMIMS is a pioneer in innovating education and delivering quality professionals who are industry-ready. The Dental Institute has been ranked 19th according to the NIRF ranking 2020, and the Medical Institute has secured 34th rank in the medical category, among other laurels.

We envision emerging as a global center of excellence in higher education, and it is my pleasure to invite you to the University for a mutually beneficial collaboration.

MESSAGE FROM THE DEAN, FACULTY OF COMMERCE AND MANAGEMENT SCIENCES

I consider it an honor in presenting you Faculty of Commerce and Management Sciences at Datta Meghe Institute of Medical Sciences.

With the provision of online platforms under learning resources, Coursera, Harvard, NPTEL, Swayam certifications are our backbone in strengthening the knowledge of our future Managers.

I express my sincere gratitude to all our recruitment partners who have extended their active co-operation in accomplishing its endeavor successfully.

DR. SANTOSH JHA
PH.D. MBA, B.COM

MESSAGE FROM THE DIRECTOR OF SCHOOL OF VIRTUAL LEARNING

I feel proud in presenting to you Datta Meghe Institute of Medical Sciences.

The exceptional curriculum focuses on creating and implementing practical applications. It provides a solid basis for understanding new techniques to help learners excel in the profession. Students are trained to obtain quality standards, principles, fundamentals, frameworks, and various applications.

On behalf of the School of Virtual learning at DMIMS, I invite you and look forward to a fruitful association with you.

DR. ONKAR SHYAM KEMKAR

Suite

The NVIDIA logo, featuring the word 'NVIDIA' in white capital letters next to a green circular icon with a white eye-like shape inside.

NVIDIA TEACHING KITS

NVIDIA Teaching Kits contain everything instructors need to teach full-term curriculum courses with GPUs in the machine and deep learning, robotics, accelerated/parallel computing, and a variety of other academic disciplines

FACULTY SPEAKS

Dr. Pankajkumar Anawade

Associate Professor

I consider it to be an honor and opportunity to present to you young and dynamic group of individuals. School of Commerce and Management Sciences provides a best place to study and grow with industry-oriented cooperation. This is the place where learners approach for knowledge thirst and desire to grow with distinction. The present batch of our young budding Managers is working hard to be a part of the large dynamic industry specifics.

Amit Anil Gudadhe

Assistant Professor

We, the family of DMIMS (DU) have evolved with time to be at par with maintaining the Global educational standard. We have a curriculum that shows high standard of international level so our students can be a part of Global Placements. The academic excellence has equipped our students with sound proficient and adopting with special skills to face the extremely high-level challenges in every situation and with ease and confidence.

STUDENTS SPEAK

Inderjeet Chudiwale

Student

It always feels special being a part of DMIMSU. It's amazing to see how the university has excelled in deepening its academic offerings and research focus over a period and how it strives to sharpen the skills of the students towards competency building. I believe our faculties are truly a prized asset of our institution. My institution goes an extra mile to provide its students with varied opportunities!

Bhushan Malikar

Student

The programs offered at DMIMS, serve as a fast-paced, fully immersive training program in the field of engineering, management, and commerce. During the program, students work together and with top-ranked faculty, and researchers to gain adequate exposure. Apart from core technical skills, we become competent in soft skills too.

OUR RECRUITERS

DR. ROOPESH RAO
 TRAINING AND PLACEMENT
 OFFICER
 PH.D, MBA

FROM THE DESK OF PLACEMENT OFFICER

Datta Meghe Institute of Medical Sciences is Central India's pre-eminent center for learning with a strong academics-industry linkage. State of art teaching facilities with the latest Simulation Technology provide students with a great learning opportunity, shaping and nurturing their young minds.

I firmly believe that our students are well equipped to translate the skills learned in class into hands-on industry applications and will make significant contributions to any organization that they become a part of.

Industry Institute Interaction

CCE liaises with various industries to facilitate **training**, get **industry-certified courses**, **live projects**, and provide the best possible **placement** opportunity while organizing relevant **guest lectures/ seminars/interactive sessions**.

Placements

From finding and converting leads to taking care of the placement process **end to end**, CCE works tirelessly in **placing students** in reputed organizations.

MoU

With CCE's initiative, the university signs **MOUs** with multiple organizations across various industries.

Recruitment Training

With the objective to meet industry requirements, make students placement ready, and to create a **quality human resource**, comprehensive training is provided to every student and is imparted by professionals.

Entrepreneurship Development Interaction

Collaborating with the research center, CCE provides necessary information, encouragement, and guidance to the students to become **successful entrepreneurs**.
