

Celebration Of Healthcare Simulation Week 12-16 September 22.
A Distinctive Display For Healthcare Simulation week

The workshops were conducted by the School Of Virtual Learning ,DMIMS (DU) and Society of simulation in Health care on the occasion of Health care simulation week from 12 to 16 th September .

Name of the event: A Distinctive Display For Healthcare Simulation week

Date conducted on: 12th – 16th September 2022

Venue: School of Virtual Learning

Topic Covered

1. 12-9-22- The first workshop was the Management of Tachycardia Algorithm –ACLS on high fidelity manikin Sim Man & demonstration on a Human Patient Simulation mannequin. Session was conducted by Dr.Shraddha Patel ,AHA faculty.
2. 13-9-22 The second workshop included a demonstarion of Ultrasound Abdomen on Sim Man.. This session was conducted by Dr. P.Parihar,Professor., Dept. of Radiology & Dr.Apurva Giri.
3. 14-9-22 The third workshop was on Normal Labour -& demonstration on a Sim Mom. This session was conducted by Dr. Neema Acharya ,HOD & Professor., Dept. of Gyne & Obstertics .

In Dental Skill Lab also the simulation week was celebrated .3 sessions were taken over there.

- Dentulous/edentulous impression making
 - Rubber dam application Practicum
 - Intraoral Anesthesia Technique
4. 15-9-22 The Fourth Workshop was on Suture Practicum. This session was conducted by Dr. Sanjeev Gianchandani ,Associate Professor., Dept. of General Surgery & Dr.Himani Vadnagra SVL faculty.
 5. 16-9-22 There were two workshop organized on Basic Laproscopic skill On LAP Mentor conducted by Dr. Sanjeev Gianchandani ,Associate Professor., Dept. Of General Surgery & Ms.JAYA Londhe faculty SVL.

Management of Respiratory emergencies on a Human Patient Simulation mannequin was managed by Dr.Amol Singham & Dr.Tejavenu Yedla faculty SVL .

Objective:

1. To make undergraduate students aware of the different skills at different manikins with hands on practice.

No.Of Beneficiaries-25 Participants

Dental-10 Participants

Name Of Beneficiaries:

DMIMS
(Deemed to be University)

SCHOOL OF VIRTUAL LEARNING

SSH
Society for Simulation in Healthcare

CELEBRATING SIMULATION WEEK

HEALTHCARE SIMULATION WEEK 2022
SEPTEMBER 12-16, 2022

A Distinctive Display for Healthcare Simulation Week

SIMULATION WEEK 2022

- Management of Tachycardia Algorithm-ACLS (12/09)
- Ultrasound Abdomen. (13/09)
- Suture Practicum (15/09)
- Management of Respiratory Emergencies (16/09)
- Basic Laparoscopy (16/09)
- Normal Labour (14/09)
